

EURASIA WINDOW, DOOR AND GLASS FAIRS WITH HYBRID FAIR MODEL WILL BE HELD ON 12-16 NOVEMBER 2022

Eurasia Window, Door and Glass Fairs with Aluminium and Shading Special Sections will be organized in cooperation with the leading associations of the industry, PUKAD, PUKAB and GALSIAD, between 12-16 November 2022 (Saturday – Wednesday) at the TUYAP FAIR AND CONGRESS CENTER ISTANBUL, TURKEY.

Eurasia Window, Door and Glass Fairs, which hosted a total of 55.466 visitors, 11.629 of which are international, from 124 countries in 2021, will bring together all the components of the industry and gather the exhibitors who are leaders in their fields and professionals who are decision makers of the building and construction industries under their roofs once again.

STRONG COLLABORATIONS WITH THE HYBRID FAIR

Eurasia Window, Door and Glass Fairs will be a hybrid event, where the power of the physical event and innovative digital applications will be combined for the benefit of all our domestic and international customers. In fairs where **New Generation Fair** applications will take place, our goal is to create as safe an environment that we are able, with a raft of security measures in place.

With the power of technology, **MyTuyap Business Connect** platform will bring all the industry professionals on the digital world.

Visitors can easily filter the products and services they are interested in through our digital platform and reach the right product and company official. Visitors and exhibitors can keep in touch with each other virtually and they are still able to connect, network, and do business through the Business Connect Program.

Eurasia Window, Door and Glass Fairs, which is one the most comprehensive and specialist trade events in the Eurasia region, with the support of all our industry stakeholders will bring industry professionals together with experts in their fields at Istanbul Tuyap Fair and Congress Center on November 12 – 16!
